"THE JUICE"

FLEET/AUTO CLEANER & DEGREASER

MAGMA Brakes is proud to introduce their newest offering, "The Juice". This non-caustic blend is a concentrated, industrial use cleaner that is biodegradable, non-corrosive (near-neutral pH), environmentally safe, and user friendly.

FOUR BOTTLES IN ONE

DON'T PAY TO SHIP WATER!
THE JUICE IS A HEAVY CONCENTRATE!
ONE BOTTLE OF JUICE MAKES 4 - 8
BOTTLES OF CLEANING SOLUTION -
WATER IT DOWN YOURSELF & SAVE!

- All Surface Safe
- Cuts Grease & Oils Without Damaging Surfaces
- Wipes Clean, No Residue
- Biodegradable
- Food Grade Active Ingredient
- Removes Hydrocarbons, Grease & Grime

Use **The Juice** for:

- Prepping New Brake Rotors for Installation
- Dirty Calipers, Hubs, & Suspension Components
- Cleaning Oily/Grimy Hoses & Hardware
- Removing Caked-On Chassis Grime & Grease
- Removing Exhaust Soot & Fuel/Oil Varnish
- Cleaning Tools, Equipment, Tool Boxes
- Cleaning Stubborn Shop Sinks

Once you try it, you will be hooked. Used as an alternative to brake cleaner, solvents, and harsh degreasers, **The Juice** can cut tough oils and grime without the volatile aerosol spray chemicals.

The Juice does not contain caustic ingredients such as Sodium Hydroxide or Sodium Metasilicate used in other commonly available cleaners that can permanently damage and dull your painted surfaces, chrome, diamond plate, glass, and decals.
